

## 2023 Southeastern Fracture Symposium Faculty Disclosures

The Southeastern Fracture Consortium has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education (ACCME) Standards for Integrity and Independence in Accredited Continuing Education requiring mitigation of all conflicts of interest. Faculty members declaring a relevant commercial interest must be identified in the activity syllabus and/or program. Each presenter is required to list their financial disclosures on the first or second slide prior to presenting at the conference.

In accordance with disclosure policies of SEFC and the ACCME, every effort has been made to ensure all CME activities are balanced, independent, objective, and scientifically rigorous. These policies include complying with ACCME's Standards for Integrity and Independence in Accredited Continuing Education and mitigating all relevant conflicts of interest for all individuals in control of content.

*All relevant financial relationships have been mitigated.*
